

The Simons Center for Systems Biology Seminar Series - Fall 2009

Institute for Advanced Study

Seminar Schedule

- August 20**
2:00 pm **Chen-Hsiang Yeang**
Institute of Statistical Science, Academia Sinica
An Integrated Analysis of Molecular Aberrations in Cancer
Bloomberg Hall 113
- September 21**
1:30 pm **Anna Marie Skalka**
Fox Chase Cancer Center & Institute for Advanced Study
Retrovirus Replication and the RT – IN Connection
Bloomberg Hall 113
- September 22**
1:30 pm **Anna Marie Skalka**
Fox Chase Cancer Center & Institute for Advanced Study
Virus-Host Cell Interactions and Daxx
Bloomberg Hall 113
- November 5**
4:00 pm **Gunnar Carlsson**
Stanford University
The Persistent Shape of Data
Bloomberg Hall Physics Library
- November 6**
4:00 pm **Gunnar Carlsson**
Stanford University
Statistical Topology and Mapping in High Dimensions
Bloomberg Hall Physics Library
- November 13**
4:00 pm **Daniel J. Kevles**
Yale University
The Apples of Our Eyes: Innovation, Art, and Intellectual Property in American Fruits
Bloomberg Hall Physics Library
